We value the addition of DBEs as suppliers and second-tier subcontractors and would appreciate seeing such firms reflected in your quotes.

If we can assist DBEs with plans, specs, requirements of the contract, bonding, insurance, breaking out the work that small businesses such as DBEs could reasonably preform, lines of credit; obtaining equipment, supplies, materials please call 952-595-5107 or email: donnak@smhentges.com.

Project documents are available through QuestCDN, Project No. 10172372: https://www.questcdn.com and by emailing estimating@smhentges.com for a link to the plans.

Participation and Workforce Goals:
DBE participation goal: 6.1%.
Workforce participation goals: 15% minority and 12% women, based on labor hours in each trade.

Certified DBE firms can be located through the MNUCP directory at https://mnucp.com/
Only certified firms performing a commercially useful function may be counted toward the applicable DBE goals.

Subcontractors are expected to help contribute to the above goals alongside the prime contractor.
