Quotes: We are looking for quotes, including but not limited to: ***Subs:*** *As built, Seeding/Erosion Control, Traffic Control/Signing, Video Detector System, APS Push Button System, Signal System, Curb & Gutter, Flatwork, Pavement Marking, Reclaiming/Milling, Electrical, Sweeping, Trucking* - ***Supplier:*** *Aggregates, Pipe Material (RCP/Manholes, DIP/PVC or CMP valves and fittings) Geotextiles, Topsoil, Castings, Inlet Protection*

Small Business Goals: This project has a DBE Goal as listed. All DBE and non-DBE subs/suppliers are invited to quote on this project. All non-DBE firms are requested to include as much DBE participation as possible with their quotes. DBE credit is given only for firms currently certified in the MnUCP directory, in a NAICS code matching the work quoted.

Project Goal: 8.6% DBE; Directory @ https://mnucp.dbesystem.com

DBE Contractors, please include with your quote if possible:
1. Is your company a manufacturer, regular dealer, distributor or broker.
2. Trucking. How many trucks do you own and lease, and what share of your hauling on this job would be done with your own trucks.

Please review the Owner Specifications for all applicable state and federal requirements. All subcontractors are expected to make a good-faith effort to contribute to the project's workforce and On-the-Job Training (OJT) goals. The following apply to this project:

X	**Prevailing Wages**
X	**EEO/AA Special Provisions. Workforce Goals of: Minority – 22%/Women – 15%**
X	**OJT GOALS – See Special Provisions - 3 TRAINEES/ 450 HRS**
X	**Special Provisions related to Tribal Employment**

Assistance - We will make every effort to allow you the opportunity to submit an informed bid on this project if requested, including: Break this project into economically feasible units, including work Park may self-perform, and send to you any information from the plans and specs* Provide advice to obtain bonding or insurance* Assist in areas including, but not limited to, interpreting plans, quantities, expected overtime; project scheduling; pit and batch plant locations, length of haul, type of road, method of measurement (seeding by the mile or acre, hauling by hour or by ton-mile), obtaining necessary equipment, supplies and materials.

Other notes for quoting: - Indicate if a bond is included in your quote or provide a bond rate as quotes over $50,000 may require bonding * All contractors Please review our subcontract/insurance requirements provided in the project files and advise of any issues you may have before bid time.

If you need assistance on any of the information listed above, please Laurie Scott @ (763) 717-6201 or lscott@park1916.com
