ATTENTION DBE SUBCONTRACTORS & SUPPLIERS

Rice Lake Construction Group (RLCG) is soliciting bids from IDOT certified DBE subcontractors and supplier firms for all divisions of work required by this project.

Project: New Southwest Water Resource Recovery Facility, Contract 1-2026
Location: 2632 Kent Avenue, Oskaloosa, IA 52577
Bids Due: December 2, 2026 by 12:00 P.M. / Bid Date & Time: December 3, 2026 by 2:00 P.M.
Plans & Specifications: Request invitation to bid at estimating@ricelake.org

DESCRIPTION OF WORK: Replacement of the existing activated sludge Southwest Wastewater Treatment Facility (SW WWTF) with a higher-capacity Southwest Water Resource Recovery Facility (SW WRRF) with biological nutrient removal. Improvements include existing Excess Flow Return Pumping Station (Structure 08) upgrades; construction of a Headworks Building with screening and grit removal equipment (Structure 10), two oxidation ditches (Structure 20), three final clarifiers (Structure 30) and UV disinfection (Structure 40). The Project also includes construction of two aerobic digesters (Structure 50), a Biosolids Building with RAS/WAS pumping and two centrifuges for dewatering (Structure 60), a Dewatered Biosolids Storage Building (Structure 70), an Administration Building and Garage (Structure 80), a Hauled Waste Receiving Station (Structure 87), a Vactor Truck Debris Pad (Structure 88), electrical power and standby generator, sitework improvements, and miscellaneous associated work. New supervisory controls and data acquisition (SCADA) and security will also be included in the Project. Additionally, the Project includes minor improvements at the Northeast WWTF, including miscellaneous architectural, structural, HVAC, and electrical improvements.

Scopes of work and materials requested include but are not limited to: Demolition, concrete, masonry, metals, wood, plastics & composites, thermal & moisture protection, openings, finishes, specialties, equipment, furnishings, metal buildings, fiberglass buildings & enclosure, identification for fire suppression, water-based fire suppression systems, plumbing, HVAC, electrical, structured cabling, electronic safety & security, earthwork, fence gate operator, chain link fence, stone mulch & edging, utilities, process interconnections, shaftless screw conveyors, hoists & cranes, process gas & liquid handling, purification, & storage equipment, water & wastewater equipment.

RLCG intends to conduct negotiations in good faith with qualified DBE subcontracting and supplier firms and is willing to break up work scopes to better fit the interests of any DBE company wishing to participate in this bid. We encourage larger firms to provide 2nd-tier opportunities to smaller firms. For assistance with bonding, insurance, potential lines of credit, obtaining necessary equipment, supplies, materials, or related assistance or services please contact Colin Leonard at colin_leonard@ricelake.org.

Please submit bids to: Email: estimating@ricelake.org or Fax: 218-546-7016

Rice Lake Construction Group is an Equal Opportunity/Affirmative Action Employer.
Minorities, women, disabled and veterans are encouraged to apply for available openings.
