The remaining name shall be selected as the Neutral Chairman. The Neutral Chairman thus selected shall set the time and place for hearings, which shall begin no later than ten (10) working days after being selected, with the final decision to be handed down in not more than ten (10) working days after the last hearing is held. The time may be extended by mutual agreement between the parties.

Each party agrees to pay the expenses of their selected Arbitrator, and both parties agree to equally share all fees and expenses of the Neutral Chairman. 8.

 - (b) If an Employer becomes delinquent, then it agrees to pay, as liquidated damages and not as a penalty, an amount equal to 10% of the base fringe benefit contribution payment amount otherwise due for such work month. It is understood and acknowledged by the parties hereto that actual damages are extremely difficult or impossible to ascertain and that the amount so fixed as liquidated damages is reasonable.
 - (c) An employer, for the first three years of a contractual relationship with the Union, shall post a surety bond, in a form satisfactory to the Trustees, insuring their obligations to the Employee Benefit Plans provided for in this agreement. The bond shall be posted with the Plans Administrator, as provided by the Trustees. At the end of a three year continuous contractual relationship with the Union, the Employer may request the Trustees of the Employee Benefit Plans referenced above to waive the requirement of a bond. The Trustees shall act through their normal delinquency committee rules and process in making this determination.

Any Employer becoming delinquent in any obligation, for more than 30 calendar days, to the Employee Benefit Plans referenced above shall immediately post a surety bond in the amounts set forth above, which must remain in force for three years.

At the time an Employer first enters into a contractual relationship with the Union, the Employer may submit a \$10,000 Cashiers Check payable to the Minnesota Bricklayers and Allied Craftworkers Fringe Benefit Funds, which shall insure the Employers obligations to for a period of seven days. On the eighth day of the contractual relationship, the bond called for above must be on file with the Plans Administrator. On filing of the bond with the Plans Administrator, the Cashiers check posted shall be returned to the Employer.

- (d) Illustration of clauses (a), (b), and (c); If an Employer's report and payment for the January work month have not been postmarked before February 16, then the Employer becomes delinquent, and it agrees to pay the full amount due, plus liquidated damages in the amount of 10% of the base fringe benefit delinquency amount for the particular month. If the report and the full payment for January (including the 10% liquidated damages amount) are not postmarked before March 16, the Employer must then post with the Funds a surety bond in the amount outlined in (c) above, in addition to reporting and paying the full amount due.
- (e) The delinquent Employer also agrees to pay all costs of collection actually incurred by the Trust Funds, including all attorney fees, service fees, filing fees, court reporter fees, and all other fees, costs and disbursements incurred by or on behalf of the Trust Funds in collecting the amount due. the administration of the Trust Funds. The Trustees or their authorized agents may examine all Employer records whenever such examination is deemed necessary in connection with the proper administration of the Trust Funds.

If an Employer fails or refuses to furnish the above-referenced records to the Funds' Board of Trustees, then the Union or their authorized agents upon demand, or otherwise refuses to afford the Funds' Trustees or their authorized agents reasonable opportunity to examine the records in accordance with generally accepted auditing procedures, then the Trust Funds may enforce such rights by legal action. If the Trust Funds enforce their rights by legal action, then the delinquent Employer agrees to pay all attorney fees, service fees, filing fees, court reporter fees and other legal costs and disbursements as well as the auditing fees and costs incurred in conducting such audit. The Union has the right to take economic action to enforce such rights on behalf of the Union and the Funds' Trustees, and the Trust Funds shall reimburse the Union for picketing and banner expenses actually incurred in enforcing such rights.

- (g) Notwithstanding the provisions of Article Ten (10) - Settlement of Disputes, the failure, refusal or neglect of an Employer to report and to pay sums due the Trust Funds or otherwise to comply with the terms and provisions of this Article shall not be subject to arbitration.

ARTICLE 25
FAIR CONTRACTING FOUNDATION
LABOR-MANAGEMENT COOPERATIVE COMMITTEE (LMCC)

Effective May 1, 2013 the parties agree to participate in and fund the Fair Contracting Foundation of Minnesota (FCF) through a Labor-Management Cooperation Committee Trust Fund, pursuant to Sec. 6(b) of the Labor Management Cooperation Act of 1978, 29 U.S.C. § 175a and Sec. 302(c)(9) of the Labor Management Relations Act, as amended.

The parties agree that the terms and conditions of this labor agreement help establish industry standards for safety, training, workforce availability, dependable benefits and reasonable wages. Therefore, the FCF is established as a LMCC to monitor and enforce compliance with federal, state and local laws, rules and regulations. FCF's further purpose is to study and implement solutions to problems that impede fair competition and stunt economic development in the industry.

The Employer agrees to contribute every month, not later than the 15th day of the following month, hereinafter called the "due date," such sums for FCF as is designated in the wage schedule of this Agreement for each hour worked by all Employees covered by this Agreement. The FCF contributions are to be paid on one check along with the other fringe benefit contributions and submitted to the agent of the Funds as designated by the Trustees.

The FCF shall function in accordance with a Trust Fund established solely and exclusively for the FCF by a separate Agreement and Declaration of Trust for the Fair Contracting Foundation of Minnesota, any amendments thereto, and any of its governing documents. The terms of the FCF Agreement and Declaration of Trust and all other governing documents are fully incorporated into this Article by reference. This provision of the contract shall sunset on April 30, 2019.

MARBLE MASONS

Scope of the Agreement

This Agreement shall cover the entire State of Minnesota.

It is mutually agreed that the provisions of this Agreement pertain to the erection, installation or alteration and all cutting and carving in connection with the setting of all interior marble and granite-slate-(including slate blackboards)- stone-green stonealberene- structural glass-sanionyx and similar opaque glass-scagliola and marble-lithis-colorlith, and all artificial or imitation or cast material, of whatever thickness or dimension whether imported or domestic, and customarily used inside a building for sanitary or decorative purposes (including precast terrazzo and cement) wherever required; including all polished honed or sawed finish material specified whether for walls or floors, as well as all accessories in connection with such work, in any public or private building anywhere within the territory governed by this Agreement and the marble masons trade jurisdiction of the Bricklayers and Allied Craftworkers International Union Constitution. This also includes the erection or setting of all the above outlined material in connection with exterior facing or flooring and curtain walls in veneer thickness up to and including 1 1/2" in thickness. This Agreement specifically omits jurisdiction over exterior work in what is known as cubic stock, which is reserved to the stone mason.

The wages and fringes for the Marble Masons will be the same as the Metro Area Bricklayers. All rates and other information are located in Section 1 of this Schedule. All benefits can be submitted to Zenith Administrators or its successor on the same fringe benefit form as the Metro Area Bricklayers.

NOTES: SCHEDULE 1

NOTE 1: All money collected as provided herein shall be remitted to the office of the fringe benefit fund administrator not later than the fifteenth (15th) day of the month following the month in which the work was performed.

NOTE 2: Fringe Benefits and Wage deductions may be each adjusted May 1.

NOTE 3: When an apprentice-training program is established all Employers will be notified at least thirty days in advance and funding will be deducted from wages scheduled above.

NOTE 4: Defined Contribution Plan - The employers have agreed to set up a sub-committee to discuss a Defined Contribution Plan. The committee will be equal numbers of management and labor. There will be no more than three representatives from each. The Plan will be subject to compliance with ERISA and the relevant tax code provisions. The Employer will forward the hourly contributions to Zenith Administrators or its successor at such time, and in such form and manner as required pursuant to the Plan and Declaration and requirements of law. (Contribution rates to be determined in each of the above schedules in Section 1).

NOTE 5: (a) All Areas Except Duluth and Virginia-Hibbing

When there are three or more Employees employed, then the Employer agrees to designate one as Foreman.

(b) Duluth and Virginia-Hibbing Area

2. have at least 10% of the total hours of Covered Employment paid on behalf of Apprentice Employees (bricklayer or PCC).
 - Failure to satisfy these two conditions will cause the Employer to be fined \$500.00 the first month and \$1,000.00 per month thereafter for each required Apprentice bricklayer or PCC Employee; i.e. if an Employer has one (1) Apprentice bricklayer or PCC Employee out of thirty (30) total bricklayer or PCC Employees, then the Employer is subject to a \$2,000.00 fine, because the one (1) Apprentice bricklayer or PCC Employee satisfies only the first ten (10) total bricklayer or PCC Employees, and there must be two (2) additional Apprentice bricklayer or PCC Employees to satisfy the requirement. $\$1,000.00 \times 2 = \$2,000.00$.
 - The Employer's Apprentice bricklayer and PCC Employees must be registered and current with the guidelines and requirements in their Apprenticeship Agreements with the Minnesota and North Dakota Bricklayers and Allied Craftworkers Journeyman and Apprentice Training Trust Fund ("Training Fund") and regulated by the State of Minnesota, Department of Labor & Industry. The Training Fund, through its Board of Trustees, has the discretionary authority to enforce this provision by demanding payment from the Employer of the fines and commencing a lawsuit, and the Employer

agrees to pay the reasonable costs associated with enforcing this provision, including court costs, audit fees, and attorney fees. The Training Fund shall adopt enforcement guidelines.

- The apprenticeship pay rates shall be redefined starting May 1, 2016 as follows: 0-1,999 hours the apprentice shall receive 65% or the journeyman base wage plus full fringe benefits; 2,000-3,999 hours the apprentice shall receive 75% or the journeyman base wage plus full fringe benefits; 4,000-5,999 hours the apprentice shall receive 85% or the journeyman base wage plus full fringe benefits; and at 6,000 hours they shall receive full wages and benefits.

QUESTIONS AND ANSWERS

QUESTION: **Who is covered and tested?**

ANSWER: Anyone performing work for the company will be covered including managers, supervisors, Craftworkers and engineering and clerical personnel.

QUESTION: **What type of testing is permitted?**

ANSWER: The following testing is addressed in the Labor User Contractor (LUC) Uniform Drug/Alcohol Programs:

- Pre-employment
- Reasonable suspicion basis
- Workplace accident/incident
- Follow-up to counseling or rehabilitation
- Voluntary basis

QUESTION: **What is the basis for “Reasonable Cause” testing?**

ANSWER: The basis for Reasonable Cause in the LUC Program mirrors the definition contained in the Minnesota Drug and Alcohol Testing Act:

Reasonable Suspicion-

A belief based on specific facts and rational inferences drawn from these facts sufficient to lead someone to suspect that the person is using drugs or alcohol. Such facts shall include excessive tardiness, excessive absenteeism, and erratic behavior such as noticeable imbalance, incoherence, and disorientation.

Additionally, workplace accidents and/or injuries are considered to be events permitting suspicion testing under the Minnesota Drug and Alcohol Testing Act and are also grounds for testing under the LUC Program.

QUESTION: **Are both drugs and alcohol use tested?**

ANSWER: Under the LUC Program both drugs and alcohol use is tested.

QUESTION: **What arrangements are made for collection?**

ANSWER: The LUC Program emphasizes that actions under the program will be handled in a confidential manner, and any results should be disclosed only to those with a “need to know”. When a test is required the specimen will be identified by a code number. Each specimen should be properly labeled and made tamper proof. The donor must witness this procedure.

- QUESTION:** Does an employee have the right to refuse to test?
- ANSWER:** Yes. However, the employee will be subject to discipline, including discharge.
- QUESTION:** What occurs if an employee tests positive?
- ANSWER:** The employee is offered an opportunity to participate in an Employee Assistance Program (EAP) for referral to a counseling/rehabilitation treatment program.
- QUESTION:** Does the Substance Abuse Program incorporate an Employee Assistance Program?
- ANSWER:** The LUC Program states that employees who test positive will be offered an opportunity to participate in an EAP Program, if available. An EAP Program should then be able to assess the extent of the problem and refer the employee to the appropriate treatment.
- QUESTION:** What threshold levels will be used by testing laboratory?
- ANSWER:** The threshold levels used for testing are specified in the regulations. See Minnesota Rule Section 4740.1075 and .1080.
- QUESTION:** What is done in regards to back pay if any employee is forced out of work waiting for test results?
- ANSWER:** When the company has reasonable suspicion to believe an employee is under the influence of a prohibited substance, for reasons of safety, the employee may be suspended until the test results are available. If no test results are received after three (3) working days, the employee, if available, shall be returned to work with back pay. If the test results prove negative, the employee shall be reinstated with back pay.
- QUESTION:** Who bears the cost of the testing program or the treatment program?
- ANSWER:** The employer bears the costs of all testing procedures
- QUESTION:** What types of appeals process are available to the employee?

Addendum “B”
BAC Code of Conduct:
A Commitment to Quality, Dependability, and Value

The International Union of Bricklayers and Allied Craftworkers 2005 Convention passed a resolution endorsing the following BAC Code of Conduct:

As a member of the International Union of Bricklayers and Allied Craftworkers, I will uphold the code of conduct embedded in our Union’s name – IUBAC:

I will come to work on time prepared to give my employer a fair day’s work for a fair wage, and to work to the highest standards.

*Be **U**nion through and through – loyal to, and respectful of, my brothers and sisters in the trade and the labor movement.*

*Work **B**etter because I have received the finest, most comprehensive masonry-trowel trades training in North America.*

*Willingly **A**cept responsibility for the quality of my work and behavior on the job.*

*And always be **C**ommitted to growing the unionized masonry-trowel trades industry for current and future generations.*

The BAC Code of Conduct recognizes that our Union is composed of individuals who represent the best in the masonry-trowel trades industry, as well as in the labor movement. This Code represents a commitment by our Union, members, and signatory contractors to produce work of the highest quality, to be the most productive, to advance our Union’s causes, and to promote the unionized masonry-trowel trades industry.

For BAC members, the Code is a commitment to look out for their fellow members, and to work to the highest standard. It is an acknowledgement that as professional craftworkers they take pride in their work, and that doing less than their best work could jeopardize the work or safety of others on the job.

For BAC signatory contractors, the Code recognizes their responsibility to provide a work environment for craftworkers conducive to producing the highest quality work, productively, by delivering the proper materials and tools on schedule, and by ensuring a safe work environment. Equally as important is their recognition that these craftworkers – BAC members – deserve to be treated with the respect their skills merit.

For BAC officers and leaders, the Code represents an obligation to make sure promises on both sides are kept. This is done by providing members with the best training, by committing to supplying signatory contractors with a quality workforce made up of individuals who understand the important role they play in making sure that projects are completed on time and within budget, by ensuring that members are treated with respect, provided safe working conditions, and paid wages and benefits commensurate with their productivity and the quality work they perform, and by setting the example in adhering to the Code of Conduct.

This Code is a recommitment on the part of our members, signatory contractors, and officers to producing quality work, to creating a dependable workforce, and to adding value to all projects in which they are involved. This commitment has distinguished the unionized masonry-trowel trades industry from the rest for more than 140 years and will continue to do so in the future. Each of the Code statements embodies specific actionstowardthatend.
