

CERTIFIED SMALL BUSINESS MICRO GRANT PROGRAM

Minnesota Department of Transportation

CERTIFIED SMALL BUSINESS MICRO GRANT PROGRAM

The Micro Grant Program assists certified small businesses in increasing their business capacity by providing financial assistance for eligible business expenses. Through expanding their capacity and industry expertise, small businesses will increase their eligibility on MnDOT contracts.

How it works

- Funding available until April 29, 2022, or until funding is exhausted
- Funding is provided through reimbursement
- Reimbursement maximum: \$2,000 per certified small business

Eligibility

- Minnesota-based businesses
- Certified Disadvantaged Business Enterprise, Targeted Group, Economically Disadvantaged, and/or Veteran-Owned businesses and
- Working on or actively pursuing MnDOT projects and/or contracts

Reimbursement Qualifications

- Technical training
- Website development
- Technical certifications required to perform specific MnDOT projects
- Other areas of assistance based on the Business Development Plan approved by MnDOT as part of Small Business Pathway to Success Program
- Purchasing highway heavy construction
