I have read and agree to the License agreement (at agcmn.org/construction-resources/contract-forms)

Please return this form to Renee at rhorsman@agcmn.org. You (and the others in your organization) then will receive an email with the contract attached. You will need an internet connection to open the contract the first time. The contract then should open with your Microsoft credentials. If you don't have the credentials, a screen will pop up and ask you to create an account, which takes about 2 minutes. You should then be good to go. If you have any troubles, please let us know.
