ATTENTION M/W/DBE SUBCONTRACTORS & SUPPLIERS

Project: Wastewater Treatment Facility Biosolids Improvement Project
Owner: City of Saint Peter, Minnesota
Construction Manager: Rice Lake Construction Group
Engineer: Bolton & Menk, Inc.
Bid Date: November 17, 2026 @ 2:00PM
Email estimating@ricelake.com to request plans & specifications

Rice Lake Construction Group (RLCG), the Construction Manager at Risk (CMAR), is soliciting bids from M/W/DBE subcontractors and supplier firms for the following bid packages. We are fully committed to offering opportunities for small, minority, women owned, veteran owned, disadvantaged, and local businesses on all our projects.

Project Summary: Conversion of the St. Peter WWTF biosolids process from lime pasteurization to heat drying and bagging. Scope includes belt filter press rebuilds, new feed pumps, cake conveyance, odor control, and tank aeration, a new thermal oil building, dry solids handling and bagging, and full mechanical, electrical, and controls. The plant stays in operation during construction, which makes sequencing and temporary solids handling critical.

BID PACKAGES:
- BP-01 General Construction
- BP-06 Plumbing
- BP-09 Process Mechanical
- BP-10 Process Equipment - Installation

RLCG intends to conduct negotiations in good faith with qualified MBE/WBE/DBE subcontracting and supplier firms and is willing to break up scopes of work to better fit the interests of MBE/WBE/DBE companies wishing to participate in this bid. For assistance with bonding, insurance, potential lines of credit, obtaining necessary equipment, supplies, materials, or related assistance or services please contact Colin Leonard at colin_leonard@ricelake.org . We encourage larger firms to provide 2nd tier opportunities to smaller MBE/WBE/DBE firms. Please contact Jason Schmitt at Jason_schmitt@ricelake.org or call 218-546-1902 for more information. The last day for questions concerning the bid and bidding documents will be Nov. 13, 2026 at 2:00PM.

Rice Lake Construction Group is an Equal Opportunity/Affirmative Action Employer.
Minorities, women, disabled and veterans are encouraged to apply for available openings.
