

Engineering & Construction Innovations, Inc.

2026 CITYWIDE SEWER REPAIRS

OWNER BID OPENING: NOVEMBER 10, 2026 AT 2:00 P.M. CENTRAL

Engineering & Construction Innovations, Inc. (ECI) is seeking quotations from subcontractors and suppliers, particularly currently CERT-certified SBE, MBE and WBE firms, for the City of Saint Paul 2026 Citywide Sewer Repairs, City Project 26-S-2099, Event #1750.

Opportunities include traffic control; pavement sawing and removal; street sweeping; asphalt paving; excavation and temporary ground support; utility potholing; aggregate supply and hauling; concrete and manhole construction; sewer and service repairs; sewer cleaning and CCTV; consolidation grouting; temporary sewer conveyance/bypass pumping; centrifugally cast pipe and manhole lining; railing, gates and inlet protection; pipe, fittings and castings; equipment rental; and applicable engineering, surveying and materials testing.

FOR VOP PARTICIPATION CREDIT, FIRMS MUST BE CURRENTLY CERT-CERTIFIED FOR THE PROPOSED WORK. THE CERT SERVICE AREA INCLUDES ANOKA, BENTON, CARVER, CHISAGO, DAKOTA, HENNEPIN, ISANTI, RAMSEY, SCOTT, SHERBURNE, STEARNS, WASHINGTON AND WRIGHT COUNTIES IN MINNESOTA, AND PIERCE AND ST. CROIX COUNTIES IN WISCONSIN.

ECI welcomes quotes for individual bid items and smaller, economically feasible portions of the work. ECI offers information and reasonable assistance with bonding, credit, insurance, equipment, materials and other participation barriers upon request. Plans and specifications are available through ECI's Pantera invitation or by contacting quotes@ECIConstructors.com. Send quotations, questions and requests for assistance to quotes@ECIConstructors.com. **Quotes are due to ECI November 9, 2026.** Please identify your scope, inclusions, exclusions, contact information and current CERT certification type(s).
