

Engineering & Construction Innovations, Inc.

NOKOMIS LANE STORM SEWER REHABILITATION (BIDS DUE: 10/13/26)

Engineering & Construction Innovations, Inc. is seeking quotes from CERT-certified MBE/WBE firms for the City of Minneapolis Nokomis Lane Storm Sewer Rehabilitation Project (Event 4288), bidding October 13, 2026.

Opportunities include storm sewer cleaning and preparation, geopolymer lining, traffic control, erosion control, grate and weir work, and site restoration.

Firms must be CERT-certified for their proposed work and have their principal place of business in Anoka, Carver, Chisago, Dakota, Hennepin, Isanti, Le Sueur, Mille Lacs, Ramsey, Scott, Sherburne, Sibley, Washington, or Wright County, MN, or Pierce or St. Croix County, WI.

ECI can discuss smaller scopes and offer information and reasonable assistance with bonding, credit, insurance, equipment, or materials requirements. Plans are available on QuestCDN under eBidDoc #10336553. **Send quotes and the completed, signed Letter of Intent included with this invitation to quotes@ECIConstructors.com no later than October 12, 2026. Please direct any questions to this email, too.**
