Assistance
We will make every effort to allow you the opportunity to submit an informed bid on this project if requested, including: * Break this project into economically feasible units, including work Park may self-perform, and send to you any information from the plans and specs * We will provide advice to obtain bonding or insurance * We will assist you in areas including, but not limited to, interpreting plans, quantities, expected overtime; project scheduling; pit and batch plant locations, length of haul, type of road, method of measurement (seeding by the mile or acre, hauling by hour or by ton-mile), obtaining necessary equipment, supplies and materials.

Other notes for quoting:
Please indicate if a bond is included in your quote or provide a bond rate. Quotes over $50,000 may require bonding. * Park utilizes standard AGC language with our subcontract agreements and sends out contracts electronically via RightSignature. Please review our subcontract/insurance requirements provided in the project files and advise of any issues you may have before bid time.

If you need any assistance on the above, or have general questions about the project, please contact me.

Laurie Scott
